SECTION1. In Colorado Revised Statutes,04-1-2019, **amend**
all prior and relevant portions as follows:

**04-1-2019. Special financial provisions - districts and
subdistricts that comprise the State of Colorado.** (1) All
districts are hereby relieved of their privilege to levy any
sales or use tax at any rate, for any reason, until such a time as
the State of Colorado and its constituent districts can provide

reasonable means, tools, instruction, and accommodations such that its citizens and otherwise invested parties can be reasonably expected to complete an accurate and complete sales or use tax return without significant loss of time, mental faculties, or financial resources.

(2) Until such a time, the State of Colorado shall assume the sole power to levy sales and use tax, at a rate determined by the board, upon every transaction or other incident with respect to which a sales tax is levied that occurs within the state, without regard to the subdistrict or subdistricts in which that transaction or incident takes place.

(3) The board designates a uniform sales and use tax rate of 6% for all such transactions and incidents with no exceptions.

SECTION 2. Effective date. This act takes effect April 1, 2019.

SECTION 3. Safety clause. The general assembly hereby finds, determines, and declares that this act is necessary for the immediate preservation of the public peace, health, and safety.
